

Thinking about your life is important.

Now and in the future.

Thinking about where you want to live is important.

Now and in the future.

Here is Ali's story. This is Ali.

2 years ago

Ali was 18 years old. He lived with his family.

Ali liked being at home.

Ali liked being at college.

But Ali was finishing college soon.

Also, Ali wanted to be more independent.

Ali wanted to choose his own food.

Ali wanted to go to work part time.

Ali talked to his family.

With some help, Ali talked to a Social Worker.

Ali's family and social worker helped him find somewhere to live.

Now

Ali is 20 years old now. He lives in a shared house.

Ali lives with other people.

His house is 10 miles

away from his family.

Ali has help from support workers.

The support workers are helping Ali find part time work.

Ali goes to a day centre and a gym.

Ali goes to a social group once a week.

He chooses his own food with help.

Ali sees his family some weekends.

He is happy and feels more independent.

Ali hopes he finds a job soon.
